FOR IMMEDIATE RELEASE

EQUALITY JACKSON UNDER NEW LEADERSHIP

Prepare for Huge Changes in this Small-Town LGBT Organization

JACKSON, TN, JUNE 20, 2019 -- Watch out Jackson TN! Equality Jackson spokesperson, Ken Jensen, announced Genevia Jensen as the President and Executive Director of Equality Jackson at the organization's first Pride Festival Organizational Meeting at Baker Bros BBQ.

Equality Jackson had always been a smaller group, with exclusive membership. The organization ever publicized itself in the town. Genevia was invited to join the board last year. She was officially named the President on June 11th at a meeting at Starbucks, but the public announcement wasn't until the June 20th Meeting.

I am extremely excited for this opportunity to help the LGBT+ Community, but I would be dishonest if I said that I am not nervous. I want to do a great job for these beautiful people.

--Genevia Jensen--

And a great job indeed! Since the newest leadership has arrived, Equality Jackson has had a large increase in community connections and involvement.

Although a multitude of things have happened. There is still a long way to go!

Consider donating to the organization, because with growth comes expense.
